## Cooking Open Hearth Tibbott S.m

**food and the internet: proceedings of the 20th ...** - she distinguished two basic cooking technologies - the open hearth and the cooking oven, the former giving rise to herdkost ("hearth food") and the latter to ofen - kost ("cooking-oven food") (hörändner 2003, pp. 96-97; gamerith 1971, pp. 78-85).
